CHILDREN PRAYING FOR CHILDREN

October 17 – November 20, 2026 | Target weekend: October 24–25

Launched in 2024 under UNWLA's Return Ukraine's Children initiative, Children Praying for Children brings together faith communities across the United States to pray for Ukrainian children and to bear witness to the profound toll the war has taken on their lives.

Host a prayer gathering at your church, school, or community center with children and families leading the prayer.

Use our toolkit - your planning guide that includes prayer card, outreach templates, and more.
