### **Essay Questions**

Share thoughtful responses to the following questions. Each response should be approximately 250 words in length.

1. Please describe your academic path and career goals.
2. Why are Ukrainian studies important to you? How does your area of study pertain to Ukraine?
3. How will you use your academic and professional journey to be an ambassador for Ukraine?
4. In what ways can you connect your studies to the mission of UNWLA?
5. Please describe a discussion you would like to have with someone who does not know much about Ukraine. What would you share with them?

6. Please describe how you engage in your community, whether it is the Ukrainian-American community or another community.

**How did you learn about the scholarship?**

- word of mouth
- social media
- family member/friend
- university/school
