

UNWLA Prayer

Lord, King of Heaven and Earth, in your hands are the leaders of all governments and the fate of all nations.

We pray to You, glance mercifully upon the Ukrainian people both in Ukraine and scattered throughout the world.

Grant us, O Lord, strength and perseverance, so that we can all work in harmony and love, for your Glory and for the Ukrainian nation.

Bring peace, Lord, to the souls of our departed UNWLA members and bestow your grace upon the living, and bless their actions and their families.

Bless, Dear Lord, the land of our settlement, the United States of America, its leaders and the American people.

We send you, O Lord, our sincere prayers.

Amen
